on 7/24 Brian Ertz made a contribution of \$50.00, of which \$1.97 was taken out in WINRED fees. On 8/1 WINRED fully refunded the his contribution, taking the entire \$50.00 out of my account, even though I had only received \$48.03, which is the contribution minus the WINRED charge. Apparently, their policy is to keep the fee if a refund is involved.
